Join the Code Savvy Educator Cohort

ABOUT THE COHORT

The purpose of the Code Savvy Educator Cohort is to empower a network of visionary educators with knowledge, skills, and resources so that we can expand equitable and engaging CS education to all students in Minnesota.

WHY JOIN?

- Learn from industry and educational CS leaders
- Develop new skills in teaching computer science
- Opportunity to earn 3 graduate credits
- Join one of MN largest CS educators networks.
- CSTA Accredited Professional Development

“This truly has been one of the best PD experiences I have ever had! It’s been a phenomenal and total refresh to my passion for teaching.” Past Cohort Member
